Will go through all the stuff, we have on Friday. Also do you have the old hard copies of stuff? Let me know and will work on coping whatever you need.

Did I ever send you a CD with a bunch of the operations and reclamation plan maps that would have been more targeted towards SMCRA?

I am looking for two maps. One was a reclamation overview map that had two reference lines on it, something like A-A' and B-B'. Then there was another that showed it in a side profile to demonstrate pre and post elevations.

I lost these with the computer crash and am hoping to find them again.
